

EXHIBIT 5
Fundraising and Solicitation

- Does the organization have any revenue-sharing agreements (e.g., incentive-based systems for raising funds where the fundraiser receives a portion of the organization's revenue)? If so, are the arrangements properly structured to avoid excess benefit, private benefit, and private inurement?
- Is compensation of professional fundraisers based on other than a percentage of contributions?
- Is compensation of professional fundraisers reasonable?
- Have fundraising expenses been properly reported on the organization's IRS Form 990?
- Are fundraising expenses adequately disclosed and reported?
- Has the organization registered with the state to solicit charitable contributions?
- Has the organization registered professional fundraisers?
